

**NORTH QUEENSLAND FOOTBALL
or
TOWNSVILLE FOOTBALL INC.
2009 REPRESENTATIVE TEAM
SPONSORSHIP PROPOSALS**

The rise in Football since the World Cup has not ceased and with the advent of the NQ Razorbacks FC in the Hyundai State League in 2008 and the NQ Fury beginning its campaign in the A-League in 2009, football (the fastest growing sport in the country) is set to boom in Townsville.

At Townsville Football, we recognise sponsorship is not merely a donation. We aim to work together to form long term relationships where both parties gain. We oversee a large football community, 15 clubs encompassing both senior and junior players, as well as 9 representative teams under the North Queensland Football banner and 12 Townsville representative teams.

What can we do for you?

We can replicate your company logo, or message, and place them on our representative players' shirts, or shorts, or polo's, or gear bags or, we can arrange on site field advertising to show your product, company name and other details.

Whilst all of our packages can be altered to suit your individual needs, please consider some of the following ideas:

**Naming Rights for One-Day Carnivals held throughout the year
at Brolga Park \$1100**
Special Carnivals held throughout the year for U6 – U10 ages groups.
