

## **FOOTBALL QUEENSLAND 2011 STATE COACHING CONFERENCE**

Football Queensland is pleased to advise that arrangements are being finalised to convene the initial State Coaching Conference for 2011. It will be held at QSAC (Kessels Road, Nathan) on Saturday 12<sup>th</sup> and Sunday 13<sup>th</sup> February 2011.

Football Federation Australia will be setting the program in line with their priority to reinforce the messages in the National Football Curriculum and the attendance of National Technical Director, Han Berger, has been confirmed.

This is a fantastic opportunity to hear and see some of the highest qualified presenters in the country deliver important and updated coaching information.

For Advanced Pathway coaches, this conference will also serve as a "Curriculum Update" which is an opportunity to acquire 25 points towards their re-accreditation.

Coaches can express their interest in attending and receive updates directly by completing the attached form and emailing to [coaching@footballqueensland.com.au](mailto:coaching@footballqueensland.com.au)

Course attendance cost is \$220.00 (inc GST) and includes all meals and course materials. Football Queensland will be able to advise and assist attendees to source travel and accommodation if required and ask that attendees note that on the form.

We look forward to being able to bring this conference to coaches in Queensland and look forward to your support.
